17. [REDACTED] - JMD) Called Joan Hunerwadel, secretary to Andrew Marshall, NSC Net Assessment Group, and explained that transcripts of classified CIA briefings of congressional committees are the property of the committee involved. I told her that we could alert them when we are appearing before a particular committee, but they would have to ask that committee for a copy of the transcript. She said she understood, however she did ask if we would provide them with a copy of the 20 July unclassified Senate Armed Services Committee at which opposition witnesses appeared concerning Mr. Colby's nomination. I agreed to do so.
